Disclaimer:

This score is merely a transcription.

It is by no means the official score for what Rippy actually wrote, but rather what I can personally hear in the recording.

You may well be able to pick out some other material from the recording that I had missed, or you might disagree on some material I've given here, but I must stress again; this is simply what I hear, written down because it is such a marvellous piece of music (indeed, as is *all* of 'Age's' music) that deserves a fully fledged score to go alongside it (*wink wink* Microsoft, publish the official score!)

This transcription was made for non-profit (don't sue me) and receives no commercial gain whatsoever. I am but a fan of the 'Age of Empires' franchise!

Nevertheless, I hope you enjoy this score. And if you ever find a use for this score, please feel free to let me know - it would make my day!

All the best,
-Jonathan Shaw
